

2020-2021

ANNUAL REPORT

OHIO DISTRICT KIWANIS FOUNDATION

KIWANIS AID, RELIEF, ECONOMIC SECURITY (KARES) PROGRAM

The Ohio District Kiwanis Foundation recognized that many of our Ohio Kiwanis Clubs were having difficulty completing their community service projects due to the inability to hold fundraisers as a result of COVID-19 restrictions. The KARES program supported two of the 2020-2021 ODKF goals to increase the number of ODKF grants awarded and to increase ODKF visibility. With your help we were able to award \$27,250.

Congratulations to our recipients

"My favorite project was getting the Kiwanis KARES grant and using the money to donate items to the local food pantries because several people throughout the school district are in need of the pantry and it felt nice to give back and help restock."

Autumn B.

Foundation

2020-2021 ODKF Board

ODKF President Steve Vrooman

2020-21 was a productive period for your Ohio District Kiwanis Foundation. Your Foundation creatively met the challenges of the year and responded to the needs of Ohio Kiwanis clubs as they continued to support their communities. Your Foundation was able, through members' assistance and involvement, to help improve the lives of more Ohio kids and families than in previous years. Your Foundation Board, staff, and volunteers continue to assess and address the long-term needs of the organization.

Our outstanding, all-volunteer staff provided exceptional support to Ohio Kiwanians, the ODKF Board of Directors, and volunteers. Their tireless efforts to respond to the needs of Ohio Kiwanians and the requirements of operating a 501(c)(3) organization are commendable.

Your Ohio District Kiwanis Foundation is in a sound financial position to continue its mission to raise, manage, and distribute funds to support programs of the Ohio District Kiwanis family organizations. A review of the reports in this document will support this statement. Your Foundation is committed to improving the lives and well-being of children through our Safe and Healthy Kids, Community, and Disaster Relief grants.

Thanks to the ODKF Board, Staff, and Volunteers for their commitment to serve Ohio Kiwanians, kids, families, and communities. Thanks to Ohio Kiwanis members for your continued financial support. I thank you for the honor of being your Ohio District Kiwanis Foundation president, this year.

GOVERNOR'S PROJECT

This year's Governor's Project was designed to support and engage our Service Leadership Programs (SLP's).

This would include K-kids, Builders Club, Key Club, Key Leader, Circle K, and Aktion Clubs. Although not known at the time of it's origination this would be the perfect year to support our SLPs. This past year has been extremely difficult for them adjusting to the ever changing COVID restrictions, mode of schooling, and lack of socialization. What we know is that our students are resilient but still need our support if we expect them to become the next generation of Kiwanis. As of July 15th, 2021 the Governor's Project has raised

\$8,085

STRATEGIC PLAN

ODKF is about to embark on a journey of updating & creating a new Strategic Plan. This plan will help to guide ODKF for the next three years.

This weekend you may have completed a survey to provide your feedback of ODKF, thank you! If not, there is a business card at your place setting that will provide you with the information where you too can complete the survey.

The goal is to unveil the new Strategic Plan at the Annual Meeting in 2022.

Grants Committee Report

Jason Miller, Chair

This year found the Grants Committee continuing to review grant requests even as the pandemic continued. There were three grant cycles ending on October 31st, March 31st and June 30th. The committee was given a budget of \$6,463 to be awarded in Safe and Healthy Kids related grants and \$29,021 for Community Service related grants. While a large portion of this money was reallocated to the KARES grants program, the committee reviewed a total of 15 requests and was able to provide grants to the following Kiwanis clubs:

Safe and Healthy Kids Grants – Total Awarded = \$2350

Lima – All ability playground at Marimor School (split between SHK & CS)

Community Service Grants – Total awarded = \$7050

Colerain – Bloc Ministries Books for Kids Program

East Fork Region – Calremont County, Ohio Governor's Dolly Parton Imagination Library program

Lima – All ability playground at Marimor School

North Ridgeville – Kiwanis Club 2021 Easter Dinner

West Akron – Akron Schools B.U.G.s Program
